## SUBJECTS

**Abdominal hysterectomy**
Indications and results of total hysterectomy 188

**Abdominal hydatid**
Abdominal hydatid disease: follow-up of Mebendazole therapy by CT and ultrasonography 22

**Acute appendicitis**
Ultrasonographic diagnosis of acute appendicitis in surgical indication 9

**Acute abdomen**
Ultrasonographic diagnosis of acute appendicitis in surgical indication 9

**Adrenal**
The surgical management of adrenal cortical carcinoma 104

**Adrenocortical carcinoma**
The surgical management of adrenal cortical carcinoma 104

**Amoebic abscess**
Management of 240 cases of liver abscess 91

**Ampullectomy**
Surgical treatment of malignant tumors of the Oddian region 184

**Aneurysms, ventricular**
Surgical treatment of left ventricular aneurysms 69

**Angioplastic resection**
Bronchoplastic and angioplastic operation in bronchial carcinoma: long-term results of a retrospective analysis from 1973 to 1983 211

**Antibiotic prophylaxis**
Peri-incisional and preoperative administration of Cefmetazole for the prophylaxis of wound infection after appendicectomy 14

**Aorto-coronary by-pass**
Surgical treatment of left ventricular aneurysms 69

**Appendicectomy**
Peri-incisional and preoperative administration of Cefmetazole for the prophylaxis of wound infection after appendicectomy 14
The place of antibiotics in the prevention of post-appendicectomy sepsis: a prospective study of 400 cases 18

**Appendix**
The place of antibiotics in the prevention of post-appendicectomy sepsis: a prospective study of 400 cases 18

**Bassini's technique**
The original Bassini technique in the surgical treatment of inguinal hernia 141

**Benign diseases of the esophagus**
Total esophagectomy without thoracotomy: results of a European questionnaire (GEEMO) 171

**Biliary stones**
Subcutaneous implantation of KMC tube for removal of recurrent intrahepatic stones without laparotomy 79

**Bile duct anomalies**
Gall-bladder interposition: a rare anomaly of the extrahepatic ducts 117

**Breast cancer**
Breast cancer statistics: use and misuse 237

**Bronchial cancer**
Bronchoplastic and angioplastic operation in bronchial carcinoma: long-term results of a retrospective analysis from 1973 to 1983 211
Tracheobronchoplasty for lung cancer 221

**Bronchial carcinoma**
Operated bronchial carcinoma: a review of 230 cases 112

**Bronchial tumor**
Benign fibrous histiocytoma: a rare endobronchial neoplasm 110

**Bronchoplastic resection**
Bronchoplastic and angioplastic operation in bronchial carcinoma: long-term results of a retrospective analysis from 1973 to 1983 211
Sleeve resection and other bronchoplasties in the surgery of bronchogenic tumors 229
Tracheobronchoplasty for lung cancer 221

**Calculations**
Breast cancer statistics: use and misuse 237

**Cefazolin sodium**
The place of antibiotics in the prevention of post-appendicectomy sepsis: a prospective study of 400 cases 18

**Cefmetazole**
Peri-incisional and preoperative administration of Cefmetazole for the prophylaxis of wound infection after appendicectomy 14

**Cerebrovascular "steal" syndrome**
Cerebrovascular circulation "steal" syndrome secondary to a voluminous retrotracheal goiter 107

**Chemically-defined diet**
Avoidance of a colostomy by nutritional techniques 32

**Chemotherapy**
The surgical management of adrenal cortical carcinoma 104

**Choledochoscopy**
Subcutaneous implantation of KMC tube for removal of recurrent intrahepatic stones without laparotomy 79

**Classical and spermatocytic seminoma**
Intrascrotal tumors in the older male 51

**Closed pyloroduodenal digital dilatation**
Closed pyloroduodenal digital dilatation as a complementary drainage procedure to truncal vagotomy 87

**Colonic resection**
Avoidance of a colostomy by nutritional techniques 32

**Colostomy**
Avoidance of a colostomy by nutritional techniques 32

**Complementary drainage**
Closed pyloroduodenal digital dilatation as a complementary drainage procedure to truncal vagotomy 87

**Complications**
Intestinal perforation and vascular rupture in Ehlers-Danlos syndrome 48
Operated bronchial carcinoma: a review of 230 cases 112

**Computed tomography**
Abdominal hydatid disease: follow-up of Mebendazole therapy by CT and ultrasonography 22

**Crohn's disease, pathology, symptoms**
Clinical features of Chron's disease: a clinical study of one hundred patients found in an unselected population 256

**CT diagnosis**
Lumbar canal stenosis, an occupational hazard 199

**Cyclosporine**
Increased incidence of renal allograft thrombosis under cyclosporine immunosuppression 38

**Duodenal ulcer**
Closed pyloroduodenal digital dilatation as a complementary drainage procedure to truncal vagotomy 87

**Duodenopancreatectomy**
Surgical treatment of malignant tumors of the Oddian region 184

**Early gastric cancer**
Lymph node metastasis in early gastric cancer 244

**Echinococcus**
Abdominal hydatid disease: follow-up of Mebendazole therapy by CT and ultrasonography 22

**Ehlers-Danlos syndrome**
Intestinal perforation and vascular rupture in Ehlers-Danlos syndrome ... 48

**Endarterectomy**
Semiclosed thromboendarterectomy on femoro-popliteal tract revisited after a fourteen years experience on 595 cases ... 59

**Esophageal atresia**
Treatment of esophageal atresia with distal tracheoesophageal fistula: are gastrostomy and prophylactic esophageal dilatation necessary? ... 169

**Esophageal cancer**
Total esophagectomy without thoracotomy: results of a European questionnaire (GEEMO) ... 171

**Esophageal dilatation**
Treatment of esophageal atresia with distal tracheoesophageal fistula: are gastrostomy and prophylactic esophageal dilatation necessary? ... 169

**Esophageal stricture**
Esophageal strictures following nasogastric intubation ... 100

**Esophagitis**
Esophageal strictures following nasogastric intubation ... 100

**Fatty acid**
Metabolism of non-protein energy substrates in septic rats recovering parenteral nutrition ... 5

**Fibrous histiocytoma**
Benign fibrous histiocytoma: a rare endobronchial neoplasm ... 110

**Fistula**
Avoidance of a colostomy by nutritional techniques ... 32

**"Fletching"**
The "Fletching": a new implant for the treatment of inguino-femoral hernias ... 248

**Fournier's gangrene**
The role of hyperbaric oxygen in the management of Fournier's gangrene ... 53

**Gall-bladder interposition**
Gall-bladder interposition: a rare anomaly of the extrahepatic ducts ... 117

**Gastric cancer**
Prediction of post-operative survival time by multivariate analysis in patients with advanced cancer of the stomach ... 73

**Gastric carcinoma**
Gastric cancer: a review of 400 consecutive cases ... 27

**Gastroesophageal reflux**
Esophageal strictures following nasogastric intubation ... 100

**Gastrostomy**
Treatment of esophageal atresia with distal tracheoesophageal fistula: are gastrostomy and prophylactic esophageal dilatation necessary? ... 169

**Glucose**
Metabolism of non-protein energy substrates in septic rats recovering parenteral nutrition ... 5

**Groin hernia**
Prosthetic repair in the treatment of groin hernias ... 154

**Gynecological operations**
Indications and results of total hysterectomy 188

**Hemodialysis**
Salvage of angioaccess after late thrombosis of radiocephalic fistulas for hemodialysis 122

**Hepatic amoebiasis**
Management of 240 cases of liver abscess 91

**Hepatic failure**
Surgical therapy for morbid obesity ... 84

**Hepatolithiasis**
Subcutaneous implantation of KMC tube for removal of recurrent intrahepatic stones without laparotomy ... 79

**Hernia**
Ambulatory outpatient hernia surgery. Including a new concept, introducing tension-free repair ... 1

**Herniorrhaphy**
Ambulatory outpatient hernia surgery. Including a new concept, introducing tension-free repair ... 1

**Histiocyte**
Benign fibrous histiocytoma: a rare endobronchial neoplasm ... 110

**History**
The history of inguinal herniorrhaphy ... 138

**Hyperbaric oxygen therapy**
The role of hyperbaric oxygen in the management of Fournier's gangrene ... 53

**Immunohistology**
The expression of Ras oncogene in normal and pathological liver disease ... 182

**Indication**
Bronchoplastic and angioplastic operation in bronchial carcinoma: long-term results of a retrospective analysis from 1973 to 1983 211

**Indirect inguinal hernia**
Testicular atrophy as a sequela of inguinal hernioplasty ... 159

**Inguinal canal**
The original Bassini technique in the surgical treatment of inguinal hernia ... 141

**Inguinal hernia**
History of inguinal herniorrhaphy ... 138
Inguinal hernia surgery: still a matter of discussion ... 137
Shouldice hospital technique ... 148
Inguinal hernia repair in England ... 144
Inguinal hernia in Germany ... 146
Original Bassini technique in the surgical treatment of inguinal hernia ... 141
Recurrent inguinal hernia ... 164

**Inguinal hernioplasty**
Testicular atrophy as a sequela of inguinal hernioplasty ... 159

**Inguino-femoral hernia**
The "Fletching": a new implant for the treatment of inguino-femoral hernias ... 248

**Inguino-femoral implant**
The "Fletching": a new implant for the treatment of inguino-femoral hernias ... 248

**Intestinal perforation**
Intestinal perforation and vascular rupture in Ehlers-Danlos syndrome ... 48

**Intra-arterial infusion**
Regional intra-vascular and intra-lymphatic therapy of neoplastic diseases: a review 42

**Intra-lymphatic therapy**
Regional intra-vascular and intra-lymphatic therapy of neoplastic diseases: a review 42

**Ischemic orchitis**
Testicular atrophy as a sequela of inguinal hernioplasty ... 159

**Isolation perfusion**
Regional intra-vascular and intra-lymphatic therapy of neoplastic diseases: a review 42

**Jejunoileal by-pass**
Surgical therapy for morbid obesity ... 84

**Leiomyoblastoma**
Gastric leiomyosarcoma: a clinico-pathologic study ... 176

**Leiomyosarcoma**
Gastric leiomyosarcoma: a clinico-pathologic study ... 176

**Leydig cell**
Intrascrotal tumors in the older male ... 51

**Liver abscess**
Management of 240 cases of liver abscess 91

**Liver cancer**
The expression of Ras oncogene in normal and pathological liver disease ... 182

**Local anesthesia**
The Shouldice hospital technique ... 148

**Lung cancer**
Sleeve lobectomy for bronchogenic carcinoma: the Rush-Presbyterian-St. Luke's Medical Center Experience ... 207
Sleeve lobectomy in the treatment of bronchogenic carcinoma ... 233
Sleeve resection and other bronchoplasties in the surgery of bronchogenic tumors 229

**Lymph node metastasis**
Lymph node metastasis in early gastric cancer 244

**Lymphoma**
Intrascrotal tumors in the older male ... 51

**Major disability**
Lumbar canal stenosis an occupational hazard 199

**Management**
Intestinal perforation and vascular rupture in Ehlers-Danlos syndrome ... 48

**Mastectomy**
Breast cancer statistics: use and misuse ... 237

**Mebendazole**
Abdominal hydatid disease: follow-up of mebendazole therapy by CT and ultrasonography ... 22

**Metronidazole**
The place of antibiotics in the prevention of post-appendicectomy sepsis: a prospective study of 400 cases ... 18

**Minor disc**
Lumbar canal stenosis an occupational hazard 199

**Morbid obesity**
Surgical therapy for morbid obesity ... 84

**Mortality**
Operated bronchial carcinoma: a review of 230 cases ... 112

**Multivariate analysis**
Prediction of post-operative survival time by multivariate analysis in patients with advanced cancer of the stomach ... 73

**Nasogastric tube**
Esophageal strictures following nasogastric intubation ... 100

**Orthopedic liver transplantation**
Veno-venous by-pass without heparin in orthotopic liver allotransplantation in the pig ... 76

**Outpatient surgery**
Ambulatory outpatient hernia surgery. Including a new concept, introducing tension-free repair ... 1

**Parenteral nutrition**
Avoidance of a colostomy by nutritional techniques ... 32
Metabolism of non-protein energy substrates in septic rats recovering parenteral nutrition ... 5

**Pathogenesis**
Intestinal perforation and vascular rupture in Ehlers-Danlos syndrome ... 48

**Peptic ulcer**
Closed pyloroduodenal digital dilatation as a complementary drainage procedure to truncal vagotomy ..... 87

**Peri-incisional infiltration**
Peri-incisional and preoperative administration of Cefmetazole for the prophylaxis of wound infection after appendicectomy 14

**Polyprophylene (Marlex)**
The "Fletching": a new implant for the treatment of inguino-femoral hernias ..... 248

**Portal hypertension**
Splenic artery aneurysms ..... 95

**Postoperative mortality**
Gastric cancer: a review of 400 consecutive cases ..... 27

**Preoperative radiotherapy**
Sleeve lobectomy for bronchogenic carcinoma: the Rush-Presbyterian-St. Luke's Medical Center Experience ..... 207
Sleeve lobectomy in the treatment of bronchogenic carcinoma ..... 233

**Prosthetic repair**
Prosthetic repair in the treatment of groin hernias ..... 154
Recurrent inguinal hernia ..... 165

**Proximal gastric resection**
Gastric cancer: a review of 400 consecutive cases ..... 27

**Pyogenic liver abscess**
Management of 240 cases of liver abscess 91

**Quantification method**
Prediction of post-operative survival time by multivariate analysis in patients with advanced cancer of the stomach ..... 73

**Radiocephalic fistula**
Salvage of angioaccess after late thrombosis of radiocephalic fistulas for hemodialysis 122

**Radioscope**
Metabolism of non-protein energy substrates in septic rats recovering parenteral nutrition ..... 5

**Ras oncogene**
Expression of Ras oncogene in normal and pathological liver disease ..... 182

**Recurrence**
Inguinal hernia repair in England ..... 144

**Recurrence rates**
Shouldice hospital technique ..... 148

**Recurrent biliary stone**
Subcutaneous implantation of KMC tube for removal of recurrent intrahepatic stones without laparotomy ..... 79

**Regional therapy**
Regional intravascular and intra-lymphatic therapy of neoplastic diseases: a review 42

**Renal transplantation**
Increased incidence of renal allograft thrombosis under cyclosporine immunosuppression ..... 38

**Reserve capacity**
Lumbar canal stenosis an occupational hazard 199

**Residual ovary syndrome**
Indications and results of total hysterectomy 188

**Retrotracheal goiter**
Cerebrovascular circulation "steal" syndrome secondary to a voluminous retrotracheal goiter ..... 107

**Scrotal tumors**
Intrascrotal tumors in the older male ..... 51

**Sepsis**
Metabolism of non-protein energy substrates in septic rats recovering parenteral nutrition ..... 5

The place of antibiotics in the prevention of post-appendicectomy sepsis: a prospective study of 400 cases ..... 18

**Sertoli cell tumors**
Intrascrotal tumors in the older male ..... 51

**Shock during pregnancy**
Splenic artery aneurysms ..... 95

**Short-stay**
Shouldice hospital technique ..... 148

**Shouldice hospital**
The "Fletching": a new implant for the treatment of inguino-femoral hernias ..... 248

**Shouldice repair**
Shouldice hospital technique ..... 148

**Sleeve lobectomy**
Sleeve lobectomy for bronchogenic carcinoma: the Rush-Presbyterian-St. Luke's Medical Center Experience ..... 207
Sleeve lobectomy in the treatment of bronchogenic carcinoma ..... 233
Sleeve resection and other bronchoplasties in the surgery of bronchogenic tumors 229
Tracheobronchoplasty for lung cancer .... 221

**Sleeve resection**
Bronchoplastic and angioplastic operation in bronchial carcinoma: long-term results of a retrospective analysis from 1973 to 1983 211

**Splenectomy**
Surgical treatment of chronic istiopathic thrombocytopenic purpura: results in 107 cases ..... 195

**Splenic artery aneurysms**
Splenic artery aneurysms ..... 95

**Spinal stenosis**
Lumbar canal stenosis an occupational hazard 199

**Statistical results**
Breast cancer statistics: use and misuse ... 237

**Stomach**
Gastric leiomyosarcoma: a clinico-pathologic study ..... 176

**Subtotal gastric resection**
Gastric cancer: a review of 400 consecutive cases ..... 27

**Superficial femoral artery**
Semiclosed thromboendarterectomy on femoro-popliteal tract revisited after fourteen years experience on 595 cases ..... 59

**Surgery**
History of inguinal herniorrhaphy ..... 138
Inguinal hernia repair in England ..... 144
Inguinal hernia surgery: still a matter of discussion ..... 137
Operated bronchial carcinoma: a review of 230 cases ..... 112
Recurrent inguinal hernia ..... 164

**Surgical management**
Gall-bladder interposition: a rare anomaly of the extrahepatic ducts ..... 117

**Surgical technique**
Bronchoplastic and angioplastic operation in bronchial carcinoma: long-term results of a retrospective analysis from 1973 to 1983 211

**Surgical treatment**
Surgical treatment of left ventricular aneurysms ..... 69
Total esophagectomy without thoracotomy: results of a European questionnaire (GEEMO) ..... 171

**Survival**
Operated bronchial carcinoma: a review of 230 cases ..... 112

**Ten-year survival rate**
Lymph node metastasis in early gastric cancer 244

**Teratocarcinoma**
Intrascrotal tumors in the older male ..... 51

**Testicular atrophy**
Testicular atrophy as a sequela of inguinal hernioplasty ..... 159

**Thromboendarterectomy**
Thrombosis prevention with Ticlopidine after femoropopliteal thromboendarterectomy 252

**Thrombopenic purpura**
Surgical treatment of chronic istiopathic thrombocytopenic purpura: results in 107 cases ..... 195

**Thrombosis**
Increased incidence of renal allograft thrombosis under cyclosporine immunosuppression ..... 38
Salvage of angioaccess after late thrombosis of radiocephalic fistulas for hemodialysis 122
Thrombosis prevention with Ticlopidine after femoropopliteal thromboendarterectomy 252

**Thrombosis, spermatic cord**
Testicular atrophy as a sequela of inguinal hernioplasty ..... 159

**Ticlopidine**
Thrombosis prevention with Ticlopidine after femoropopliteal thromboendarterectomy 252

**TNM-classification**
Operated bronchial carcinoma: a review of 230 cases ..... 112

**Tobramycin sulfate**
The place of antibiotics in the prevention of post-appendicectomy sepsis: a prospective study of 400 cases ..... 18

**Total gastrectomy**
Gastric cancer: a review of 400 consecutive cases ..... 27

**Tourquinet infusion**
Regional intra-vascular and intralymphatic therapy of neoplastic diseases: a review 42

**Tracheoesophageal fistula**
Treatment of esophageal atresia with distal tracheoesophageal fistula: are gastrostomy and prophylactic esophageal dilatation necessary? ..... 169

**Trans-catheter embolization**
Regional intra-vascular and intra-lymphatic therapy of neoplastic diseases: a review 42

**Truncal vagotomy**
Closed pyloroduodenal digital dilatation as a complementary drainage procedure to truncal vagotomy ..... 87

**Tumors of the Oddian region**
Surgical treatment of malignant tumors of the Oddian region ..... 184

**Ultrasonography**
Abdominal hydatid disease: follow-up of mebendazole therapy by CT and ultrasonography ..... 22
Ultrasonographic diagnosis of acute appendicitis in surgical indication ..... 9

**Vaginal hysterectomy**
Indications and results of total hysterectomy 188

**Variances**
Breast cancer statistics: use and misuse ... 237

**Vascular rupture**
Intestinal perforation and vascular rupture in Ehlers-Danlos syndrome ..... 48

**Veno-venous by-pass**
Veno-venous by-pass without heparin in orthotopic liver allotransplantation in the pig ..... 76
